Ashley Howell

In Her Own Words

“During my freshman year of high school, my world was turned upside down when my father died by suicide. I stayed in school through my junior year, but I struggled with depression and school was not a priority.

“A few years later, I was married and staying at home with two small children. I always wanted to go back to school and get my HSE so that I could feel proud of myself. With both of my kids in school full-time, I finally had the time.”

INDIANA ADULT EDUCATION

BASIC SKILLS. HIGH SCHOOL EQUIVALENCY. SHORT-TERM TRAINING. CERTIFICATIONS AND MORE.

Ashley Howell

In Her Own Words

“When I started attending Vincennes University adult Education’s HSE classes in Tell City, I had been out of school for 13 years. I began studying, passed six weeks later, and got my HSE. My success with the HSE inspired me to go even further. I took classes through VU adult education’s training program and received a certificate in **Dental Assisting & Radiology**. I am now working as a dental assistant and making plans to study to become a dental hygienist. “

“Restarting my education changed my life. My kids have bragged about me to their teachers. They always have motivating and positive things to say and I am so proud that they can see me continuing to learn and improve.”

“Don’t let your own thoughts of not being able to succeed hold you back.”

Jennifer Davis A Journey to Confidence

Jennifer Davis set out on a journey to earn her medical assisting license through Wayne Township Adult Education at a time when she wasn't having much confidence in herself. She was a dedicated employee,

taking care of residents at the Millers Merry Manor long-term care facility, but she wanted to take her career to the next level. "I was excited about becoming a medical assistant, but I doubted myself. The life coaches at Wayne Township Adult Ed and our teacher Stephanie Williamson kept encouraging and believing in me, even when I didn't believe in myself," she said. "When it

came time to do blood draws,” her teacher said, “she was so nervous, but I told her that if I trusted her, she should trust herself!” When it came time to take the state exam, Jennifer met outside of class with her classmates for extra study sessions. She and her study partners encouraged

“I am thankful for the people who believed in me along the way!” – Jennifer Davis

each other and all passed the CCMA certification exam. Things are now looking up for Jennifer. She was selected for the CCMA position at work and was honored at the State House for Long -Term Care Professionals Day. Jennifer said, “I am happy that I will be able to provide for my twin girls as a medical assistant, and show them that hard work really does pay off. “

CCMA Certification

Medical Assistant Certification

A medical assistant is a multi-skilled allied health care professional that specializes in procedures commonly performed in the ambulatory health care setting. Medical assistants perform both clinical and administrative duties and assist a variety of providers including physicians, nurse practitioners and physician assistants. They typically work in medical offices, clinics, urgent care centers and may work in general medicine or specialty practices.

Webinar

How to become a Workforce Ready Grant (non-credit bearing) Training Provider

This webinar will go over the program requirements, student eligibility, and steps required to become an eligible training provider for Indiana's Workforce Ready Grant, non-credit bearing program. Becoming an eligible training provider for this program allows a training institution to train in high-demand, high-priority job sectors and receive student tuition payment directly from the state for eligible students.

IAACE/ COABE

Show your support
with 3 clicks!

Check your email!

COABE will lead advocacy efforts in Washington D.C. emphasizing the value of adult education. Will you support our efforts with 3 quick clicks?

There are more than 100 new legislators in the House of Representatives alone who need to know that adult education is important. Now is our time to raise our visibility with them and let them know that the \$156 million in proposed funding cuts would be devastating to our field!

With COABE's Capitol Hill Day coming up on May 7th, now is the perfect time to contact your legislators to tell them how important it is to fund adult education at the WIOA authorized level. It's so simple, three quick clicks and five minutes of your time is all it takes!

You can also use social media to highlight the need for funding and get others involved.

Contact Your Legislators [HERE](#).
